Projects

Bored In The House| https://github.com/iiTONELOC/covid-master |
https://iiTONELOC.github.io/covid-master
- Summary: App that provides meal and drink recipes, along with a movie suggestion. All based on user input.
- Role: Contributing author, researched the API's, wrote the original JavaScript for the Movie API call, localStorage and dynamic content creation.
- Tools: HTML5, CSS3, Foundation, Animate CSS, JavaScript, Moment.js, jQuery, localStorage, Google Fonts, server-side API's.

Weather Dashboard | https://github.com/iiTONELOC/weather-dashboard
|https://iiTONELOC.github.io/weather-dashboard
- Summary: Weather app that provides current weather data and a 5 day forecast for cities.
- Role: Author
- Tools: HTML5, CSS3, Bootstrap, JavaScript, Moment.js

Flashtastic| https://github.com/iiTONELOC/Flashtastic | https://iiTONELOC.github.io/Flashtastic
- Summary: Quiz game that quizzes the players on JavaScript. My first attempt at dynamic content creation.
- Role: Author
- Tools: HTML5, CSS3, JavaScript

Experience

Project Manager   **2017-2020**

Eco-Surfacing Foils   **Ocala, FL**

Project manager for a construction company. Responsible for project implementation from customer procurement to job completion.

Key Accomplishments

- Generated $1-1.5 million in annual revenue.
- My attention to detail and my love for problem solving drove company profits up an additional 30%.
- Redesigned the company logo and website (with no prior knowledge).
- Transitioned the company from an archaic paper system to an electronic system increasing productivity.
- Started as an installer.

Commercial Diver   **2013-2017**
Frank's Marine   **Sugarloaf Key, Fl**

Commercial Diver for aquarium tropical fish and natural reef cleaning kits. Responsible for the boat, the catch, and the crew. Assist in the packing of the live animals for shipment to Los Angeles.

Key Accomplishments

- Increased profits by selling left-over items on Ebay.
- Was trusted to run the truck, boat and crew alone.
- Was able to cut the work week from 7 days to 5 days

Independent Contractor   **2011-2017**
Self Employed   **Big Pine Key, Fl**

Operated a small side business repairing cell phones, tablets, and computers.
Not limited to: Broken screens, water damage, battery replacements, data recovery, virus removal, hard drive failures. Configured home/office networks, consulting, one on one instruction.

Key Accomplishments

- Unusually successful at salt-water damage repair.
- There wasn't much I couldn't fix.

Education

BS, Cybersecurity- Southern New Hampshire University   est. completion 2024
